Name of the Scheme	Sundaram Capital Protection Oriented Fund 5 Years (Series 4) Each series under the scheme shall have a separate portfolio and will be identified at the time of launch. The scheme shall commence at any time within six months from the date of SEBI clearance letter for the scheme information document.		
Investment Objective	<p>The objective of this Scheme would be to seek income and minimise risk of capital loss by investing in a portfolio of fixed-income securities. The scheme may invest a part of the assets in equity to seek capital appreciation.</p> <p>No Guarantee</p> <p>Investors are neither being offered any guaranteed/indicated returns nor any guarantee on repayment of capital by the Scheme. There is also no guarantee of capital or return either by the mutual fund or by the sponsor or by the Asset management Company.</p> <p>The Scheme offered is oriented towards “protection of capital” and “not with guaranteed returns”. The orientation towards protection of capital originates from the portfolio structure of the scheme and not from any bank guarantee, insurance cover etc.</p>		
Asset Allocation	Asset Class	Allocation (%)	Risk Profile
	Fixed-income securities including money market instruments, if any.	70-100	Low to medium
	Equity and equity related instruments		0-30 High
	<p>Exposure to derivatives will be limited to 50% of the net asset value of the Scheme at the time of transaction. Exposure is calculated as the notional value as a percentage of net assets of the Scheme. The exposure in derivatives will be on Gross basis, i.e. taking into account long and short positions separately. The Scheme will maintain cash or securities to cover exposure to derivatives. For limits on derivatives, please refer the section on derivatives in this document. Gross exposure in equity, derivatives and debt shall not exceed 100% of the net assets. Same security wise hedge positions have not been considered in computing gross exposure. In terms of SEBI notification dated June 05, 2009, the scheme shall not invest more than 30% of its NAV in money-market instruments issued by a single issuer. The Scheme shall ensure capital protection orientation by adopting a Static Hedge approach. Capital protection will be provided solely through the fixed-income component of the portfolio. The fixed-income portfolio shall be invested in securities that matures to the capital value (initial consideration) at the end of the scheme. The remainder (the difference between the capital raised and present value of the capital) is invested in equity, which could provide the possible upside to the fund. Investments in fixed-income instruments are typically done on a held-to-maturity basis in order to avoid the impact of market risk on account of interest rate movements. As investments will be in fixed-income securities of highest investment grade, the risk of default is mitigated. Appreciation in equity component, if any, constitutes additional returns to the scheme. The initial investment mix between the fixed securities and equity shall be such that the maturity value of the fixed income portfolio, at the time of scheme's redemption, net of all expenses is more than or equal to the face value of the units issued. However, where any such change is warranted, such change shall be in line with the warranties prescribed by the CRISIL, and also based on the guidelines issued by the Executive Committee and Risk Management Committee of the AMC. The investment manager would endeavour that the capital remains protected on maturity and also ensure that the scheme rating is not adversely affected. The scheme may review the above pattern of investments based on views on the debt markets and asset-liability management needs. The portfolio shall be reviewed on regular basis. At all times, the objective of the portfolio will be to seek income. • The proposed portfolio structure has been evaluated by CRISIL, a SEBI-registered credit rating agency from the view point of assessing the degree of certainty for achieving the objective of capital protection. The rating would be reviewed on a quarterly basis. • The structure of the portfolio of the capital protection oriented scheme would be continuously monitored by the trustee and would be reported by them in the half-yearly Trustee Report; and the Investment Manager would also report on this aspect in the bi-monthly Compliance Test Report. • The debt component of the portfolio structure should have the highest investment grade rating. The Investment Manager shall adhere to the investment guidelines by the Executive Committee and also the guidelines issued by the Risk management Committee with particular aspects like the level of exposure to debt instruments, issuer concentration limit, maturity period, management style for the debt component of the</p>		

	<p>portfolio limits on expenses, counter parties in which funds may be deployed. The Following are some of the parameters the scheme will apply in selecting the debt component of the portfolio :</p> <ul style="list-style-type: none"> • The fixed income component of the Scheme shall be invested only in Government of India Securities (G-Secs) and/or other fixed income instruments rated AAA/AAA (so) by CRISIL and in fixed income securities of equivalent rating rated by other accredited rating agencies registered with SEBI. • The scheme is rated by CRISIL. However, the scheme shall invest up to 20% (in value) of the fixed income component of the scheme in securities rated by CRISIL. In computing the ceiling of 20%, the securities issued by Public Sector undertakings, Nationalized banks and Government companies will be excluded. • In respect of investment in securities issued by Banks/ NBFCs , the issuer shall have the minimum capital adequacy ratio prescribed by the Reserve Bank of India. • The AMC will ensure that the credit quality of the fixed income portfolio should be equivalent to AAAf (the rating definition of AAAf is as follows – The fund’s portfolio holdings provide very strong protection against losses from credit defaults). However, high risk securities irrespective of the rating, would be excluded. • The scheme will invest in AAA/AAA (so) rated fixed income securities provided the yield of such securities shall not exceed 100 basis points over the yield of AAA securities as per CRISIL/ICRA bond matrix. • The scheme shall not make any investments in Securitized debt. • No securities lending transactions would be engaged in by the scheme. The Reserve Bank of India has been specifying exposure norms by all commercial banks to sector/industry. The Executive Committee / Risk Management Committee of the Asset Management Company will determine the investment by scheme to the sector/industry based on the exposure norms set out by RBI. Additionally, the scheme shall not invest in the securities issued by the realty sector and IT sector. • While selecting the fixed income securities for the debt component, the Scheme shall as far as possible invest in securities with maturity within 30 days prior to the date of the scheme’s redemption. In no circumstances the scheme shall invest in fixed income securities with maturities beyond the scheme’s redemption date • While selecting fixed income securities for the debt portfolio, as far as possible, the scheme shall invest in securities with a one time bullet payments of principal at maturity to minimize reinvestment risks. • The scheme shall not invest in securities with early call or put options • The scheme shall follow a passive investment strategy for the fixed income component of the Scheme. • Exposures to counterparties will be only with the entities approved by the rating agencies and the Executive Committee and Risk management Committee of the AMC <p>The Scheme shall commence investment only on completion of the New Fund Offer period.</p>
<p>Investment Strategy</p>	<p>Debt Portfolio: • The Scheme would attempt to invest in fixed income instruments. Purchase of debt may be made either through initial public offer, private placement, through rights offerings, purchase on the floor of a recognised stock exchange or through negotiated deals on the secondary market. The Scheme may invest in the non-publicly offered securities on the merits of the investment proposals.</p> <ul style="list-style-type: none"> • The fixed income component of the Scheme shall be invested only in Government of India Securities (G-Secs) and/or other fixed income instruments rated AAA/AAA (so) by CRISIL and in fixed income securities of equivalent rating rated by other accredited rating agencies registered with SEBI. In case the instruments are not rated, specific approval of the Board of Directors of the Investment Manager or a Committee approved by the Trustee Company shall be obtained. • A portion of the fund could be invested in liquid investments. • The Scheme intends to use derivatives as permitted by RBI/SEBI for hedging interest rate risk. The actual percentage of investments in various floating and fixed interest rate securities and the position of derivatives will be decided on day to day basis depending upon the prevailing views on Interest rate. • Pending deployment of funds in terms of investment objectives of the Scheme, the funds may be invested in short term deposits with scheduled Commercial Banks. <p>Equity Portfolio: Majority of the equity allocation will be in Nifty index companies, and will maintain diversity. There will be no excessive stock or sector specific exposure that will enhance the risk of the portfolio.</p> <p>The Risk Management Committee of the AMC validates and approves:</p> <ul style="list-style-type: none"> (a) Guidelines in the Universe of securities (b) Global Issuer limits (including limit per maturity) (c) Counterparty limits (d) Revised existing issuer and counterparty limits (e) Limits applicable to each fund such as Credit Diversification ratio, Duration Limit, WAM Limit, Maximum Maturity Limit, Liquidity Risk Limits, Valuation Risk Limits, Risk Grade Limits etc. <p>The limits set by the Risk Management committee for each issuer, is reviewed and approved by the Executive Committee of the AMC, on a regular interval.</p> <p>Credit Risk Analysis</p> <p>Credit Research analyst presents to the Risk Committee for each issuer, credit analysis summary, and submits its independent recommendations on short-term and mid-term exposure, in consultation with Head-Fixed Income.</p> <p>Credit Research analyst presents to the Risk Committee for a new issuer, quantitative and qualitative analysis including but not limited to:</p>

- 1. Applications Supported by Blocked Amount or ASBA facility:** An application containing an authorization given by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO(New Fund Offer) of a Scheme. If an investor is applying through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units.

It is an additional payment option that the investor can use in addition to the existing modes (Cheque/Demand Draft etc) for buying Units during NFO. It is available only to individuals. It is not available for subscribing to Units on an ongoing basis after the NFO. For availing this option the bank, where the investor has an account, should be a Self Certified Syndicate Bank (SCSB)

- 2. "Controlling Branches (CBs) of the Self Certified Syndicate Banks (SCSB):** Controlling Branches (CBs) are the branches of the SCSBs acting as coordinating branches for the Registrar and Transfer Agent of Sundaram Mutual Fund schemes, the AMC and the Stock Exchange(s) for the ASBA facility offered during the NFO period.
- 3. "Designated Branches (DBs) of the SCSBs:** Designated Branches (DBs) are the branches of the SCSBs which shall collect the ASBA Application Forms duly filled by the Investors towards the subscription to the Units of the Scheme offered during the NFO. The list of these Designated Branches is available at <http://www.sebi.gov.in/pmd/scsb.pdf> and www.sundarammutual.com
- 4. "Self Certified Syndicate Bank" or SCSB:** Self Certified Syndicate Bank/ SCSB means a bank registered with SEBI to offer the facility of applying through the ASBA process. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs as displayed by SEBI on its website at www.sebi.gov.in.
- 5. The ASBA facility during NFO:** In respect of New Fund Offer (NFO) of Schemes/Plan(s) launched on or after October 1, 2010, an investor (being an Individual) can subscribe to the NFO through Applications Supported by Blocked Amount (ASBA) facility by applying for the Units offered in the ASBA Application Form and following the procedure as prescribed in the form. For details please refer to the Section "Applications Supported by Blocked Amount (ASBA) facility," below and also the Application Form/KIM of the Scheme

Applications Supported by Blocked Amount (ASBA) facility: Pursuant to SEBI Circular dated SEBI/MD/CIR No 18 /198647 /2010 March 15, 2010, an investor can subscribe to the New Fund Offer (NFO) launched on or after October 1, 2010 through ASBA facility by applying for the Units in the ASBA Application Form and following the procedure as prescribed in the form.

ASBA is an application containing an authorization given to the Bank by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO of the Scheme of Sundaram Mutual Fund. Thus, for an investor who applies through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units. The blocked amount cannot be withdrawn and will earn interest as per account terms applicable. It may be noted that since ASBA Facility is pursuant to an arrangement between the Investor and his /her Bank, Sundaram Mutual Fund, or its Trustee/AMC/ its Employees/Directors will not be responsible for any delay, error or omission/commission, or deficiency if any, on the part of the Investor's Bank.

Benefits of Applying through ASBA facility

- Writing cheques / demand drafts and sending them for collection etc are not required, as investor needs to submit ASBA application Form accompanying an authorization to block the account to the extent of application money towards subscription of Units. The balance money, if any, in the account can be used for other purposes by the investors.
- Release/Unblocking of blocked funds after allotments done instantaneously.
- Unlike other modes of payment, ASBA facility prevents the loss of interest income on the application money towards subscription of Units as it remains in the bank account of the investor till the allotment is made.
- Refunds of money to the investors do not arise as the application money towards subscription of Units gets transferred only to the extent of amount payable for the actual allotment
- The investor deals with the known intermediary i.e. his/her own bank.
- The application form is simpler as the application form for ASBA will be different from the NFO application form.

ASBA Procedure:

- An Investor intending to subscribe to the Units of the NFO through ASBA, shall submit a duly completed ASBA Application Form to a Self Certified Syndicate Bank (SCSB) with whom he/she has a Bank Account.
- The ASBA Application Form towards the subscription of Units can be submitted through one of the following modes.
 - Submit the form physically with the Designated Branches (DBs) of the SCSB ("Physical ASBA"); or
 - Submit the form electronically through the internet banking facility offered by the SCSB ("Electronic ASBA").
- An acknowledgement will be given by the SCSB in the form of the counter foil or specifying the application number for reference. (Note: Such acknowledgement does not guarantee, in any manner that the investors will be allotted the Units applied for: Further, if the bank account specified in the ASBA Application Form does not have sufficient credit balance to meet the application money towards the subscription of Units, the Bank shall reject the ASBA Application form.)
- On acceptance of Physical or Electronic ASBA, the SCSB shall block funds available in the bank account specified to the extent of the application money specified in the ASBA Application Form.

- The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application.
- SCSBs shall unblock the bank accounts (i) for Transfer of requisite money to the NFO bank account against each valid application on allotment or (ii) in case the application is rejected.
- The list of SCSBs and their DBs where ASBA application form can be submitted is available on the websites of BSE (www.bseindia.com), NSE (www.nseindia.com) and SEBI (www.sebi.gov.in) and shall also be given in the ASBA application form.

For details please refer to the Section "Applications Supported by Blocked Amount (ASBA) facility," below and also the Application Form/KIM of the Scheme

Applications Supported by Blocked Amount (ASBA) facility: Pursuant to SEBI Circular dated SEBI/MD/CIR No 18 /198647 /2010 March 15, 2010, an investor can subscribe to the New Fund Offer (NFO) launched on or after October 1, 2010 through ASBA facility by applying for the Units in the ASBA Application Form and following the procedure as prescribed in the form.

ASBA is an application containing an authorization given to the Bank by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO of the Scheme of Sundaram Mutual Fund. Thus, for an investor who applies through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units. The blocked amount cannot be withdrawn and will earn interest as per account terms applicable. It may be noted that since ASBA Facility is pursuant to an arrangement between the Investor and his /her Bank, Sundaram Mutual Fund, or its Trustee/AMC/ its Employees/Directors will not be responsible for any delay, error or omission/commission, or deficiency if any, on the part of the Investor's Bank.

Benefits of Applying through ASBA facility

- Writing cheques / demand drafts and sending them for collection etc are not required, as investor needs to submit ASBA application Form accompanying an authorization to block the account to the extent of application money towards subscription of Units. The balance money, if any, in the account can be used for other purposes by the investors.
- Release/Unblocking of blocked funds after allotments done instantaneously.
- Unlike other modes of payment, ASBA facility prevents the loss of interest income on the application money towards subscription of Units as it remains in the bank account of the investor till the allotment is made.
- Refunds of money to the investors do not arise as the application money towards subscription of Units gets transferred only to the extent of amount payable for the actual allotment
- The investor deals with the known intermediary i.e. his/her own bank.
- The application form is simpler as the application form for ASBA will be different from the NFO application form.

ASBA Procedure:

- An Investor intending to subscribe to the Units of the NFO through ASBA, shall submit a duly completed ASBA Application Form to a Self Certified Syndicate Bank (SCSB) with whom he/she has a Bank Account.
- The ASBA Application Form towards the subscription of Units can be submitted through one of the following modes.
 - Submit the form physically with the Designated Branches (DBs) of the SCSB ("Physical ASBA"); or
 - Submit the form electronically through the internet banking facility offered by the SCSB ("Electronic ASBA").
- An acknowledgement will be given by the SCSB in the form of the counter foil or specifying the application number for reference. (Note: Such acknowledgement does not guarantee, in any manner that the investors will be allotted the Units applied for: Further, if the bank account specified in the ASBA Application Form does not have sufficient credit balance to meet the application money towards the subscription of Units, the Bank shall reject the ASBA Application form.)
- On acceptance of Physical or Electronic ASBA, the SCSB shall block funds available in the bank account specified to the extent of the application money specified in the ASBA Application Form.

- The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application.
- SCSBs shall unblock the bank accounts (i) for Transfer of requisite money to the NFO bank account against each valid application on allotment or (ii) in case the application is rejected.
- The list of SCSBs and their DBs where ASBA application form can be submitted is available on the websites of BSE (www.bseindia.com), NSE (www.nseindia.com) and SEBI (www.sebi.gov.in) and shall also be given in the ASBA application form.

Note: No request for withdrawal of ASBA application form made during the NFO Period will be allowed.
